Memorandum

To R. F. Bugher
From Donald E. Bodeker
Subject Bid Reference #484

Date September 15, 1978

COPIES TO:

File

Bidders for this 1979 4 wheel drive vehicle were as follows:

Hefner Chevrolet	-	\$8365.00
Hoosier Ford	-	8399.05
Allen County Motors	-	8415.40

There is only a \$50.40 spread in the bids and the availability of certain optional items must also be considered:

- A. Three (3) items were not available on the Chevrolet Blazer. These items automatically increased the Ford Bronco bids approximately \$53.00.
- B. The Blazer only comes with bucket seats which limits us to transporting only two people. The Bronco has an optional bench seat, at no additional cost, which will provide seating space for one additional person.
- C. Hoosier Ford neglected to bid on heavy duty shocks and springs as called for in the specifications. This would have increased their bid approximately \$67.00

Since Allen County Motors meets our bid specifications and their final invoice will be lower than any of the other bids, we recommend they receive the award. A detail sheet is attached for your review.
